

WHO AM I?

We all think about ourselves, probably way too much, but do we really ever take time and reflect on the more important stuff...like our values or what we believe in? So we're doing you a solid and giving you the push you need to do some deeper reflecting on who you are. After all, this is important stuff to think about if you're looking for a partner.

I would describe my personality as...

Ideas to think about... about are you outgoing? Introverted? Easy going? Optimistic? Sensitive? Dependable? Open?

Some of my hobbies are...

Ideas to think about... sports, reading, movies, volunteering, painting, dancing, yoga, healthy eating, etc.

My two greatest strengths are...My two biggest weaknesses are?

My personal and life goals are...

Ideas to think about...finish _____ school, be in shape, have a family, earn \$\$, have ____ job.

I tend to be attracted to people who are...? I tend to attract people who are...?

My ideal day would be...
